# STAR BREEDER PROGRAM

## GIVING CONFIDENCE TO BREEDERS AND BUYERS

### Seller Certification

**Registered Stud and Commercial STAR Breeder Program sellers certify that each bull, heifer or mob has been:**

- ✓ Vaccinated against Pestivirus (with Pestigard) to ensure they are protected from the effects of this infection
- ✓ Vaccinated against Leptospirosis (with Ultravac 7in1) a serious disease of cattle and WH&S risk for cattle handlers
- ✓ Vaccinated against Vibriosis\* (with Vibrovax) a sexually transmitted cattle disease (\*bulls only)
- ✓ Given two (2) vaccinations to ensure they have immunity established prior to leaving their property of origin
- ✓ Issued a STAR Breeder Program Certificate – valid for 12 months

### Additionally Stud Breeders:

- ✓ Certify that each bull or heifer has been tested to show that they are not Pestivirus Persistently Infected (PI) animals.
- ✓ May also wish to certify and record on their certificates any additional vaccinations, testing or programs conducted e.g. BEF, tick fever, botulism, VBBSE or genetic testing (HD 50K, i50K, Clarifide or SireTrace)

### Need help with vaccinations or the STAR Breeder website?

Zoetis has a large team of veterinarians and skilled representatives to deliver vaccine, parasiticide management, reproductive and genomic programs to best suit your management practices.

For more information talk to your **Zoetis Cattle Representative**, call **1800 963 847** or visit **[www.starprogram.com.au](http://www.starprogram.com.au)**

## **Welcome to our 17th On Property Sale**

This year marks the first time we have offered sons of Summit Magnum R037. We have been excited by this bull since he was a calf on the mother and his progeny are exhibiting all the traits that we hoped they would. These sons have unrivalled depth, capacity, softness and docility and have been exceptional from birth. With an excellent blend of European growth and British breed finishing ability, these bulls have claims to be the highest quality of black Gelbvieh we have ever offered. We encourage any discerning beef producer to see what a Summit Gelbvieh bull can do to their black herd. You will have growthy, well-fleshed calves with finishing ability, and for your replacement females you will have the strong maternal traits that the breed is famous for. The bulls are moderately framed, which allows them to have excellent longevity so they will be extremely good value!

After a very tight rainfall year in 2024, our bulls were behind where we would've liked them off pasture. It is a credit to their genetics how quickly they improved on Kojonup Feed's excellent pellets and hay and straw. This is the first year where we have more black bulls than red. We are deliberately breeding more black Gelbvieh's to accommodate more potential buyers as they are now as good as the reds. As we all know, we are dealing with very tough times in the cattle industry, but we believe these times will be short-lived and now is a good opportunity to improve your herds more economically and provide you with some animals that will excite you and make you smile.

**The Pugh Family**

## **Bull Information and Care**

**Bio Security:** J-BAS 8 accredited. Herd Health:

The bulls have all been tested free of pestivirus and have been fully vaccinated with Pestigaurd, Ultravac 7in1, and Vibrovax. They were also drenched in December 2024.

**Semen Testing:** Semen testing was conducted on February 7, 2025 and all bulls in the sale were deemed fertile and fit for service by the Nutrien Breeding services team.

**Guarantee:** All bulls offered in the sale are guaranteed to be fertile and capable of natural service at the date of sale and for a period of six months following. This guarantee does not cover injury, disease or death. The vendor retains the right to request veterinary confirmation of any claim.

**Insurance:** The insurance risk of animals sold at auction transfers to the purchaser at the end of the sale. This includes animals remaining at the vendor's property. Buyers are advised to insure their animals at the completion of the sale.

**Delivery of Sale Bulls:** Summit Gelbvieh will do our best to assist in the efficient and safe delivery of your bulls. Buyers, please ensure bulls are insured at the fall of the hammer as our insurance does not cover injury of bulls in transit. Please make sure you provide full delivery instructions in writing, including full contact details and maps prior to leaving the Sale. We are offering free Delivery of the Sale Bulls to regional centres in WA. In most cases we will deliver free to the farm address provided.
